You're more than flesh and blood, you know.	

Part Four: Resources

26. The A-B-Cs of Vitamins 381
Use this like an encyclopedia to learn about specific vitamins in your supplements.
27. Rock Solid Minerals 393
Here's another encyclopedia, this time for minerals.
28. Amino Acids: Life's Building Blocks 401
My final encyclopedic chapter, it also explains the complex and amazing work of amino acids.
29. The Real Skinny on Fats and Fatty Acids 409
Read this chapter if you have ever tried a low-fat diet.
30. Chiropractic and Other Physical Medicine 421
Learn how natural approaches based on touch and massage can comfort, nurture, and heal.
31. Replenishing Low Sex-Hormone Levels 429
Considering hormone-replacement therapy?
Read this chapter first!

Part Five: Putting it All Together

32. Twenty Steps to Wellness 441
Read this one last or read it first, but be sure to read it.
It's your point-by-point road map to lifelong health.
- Appendix A: Symptoms Profiles 447
- Appendix B: Tests and Their Results 454
- Appendix C: Resources and
Contact Information 461
- Index 463
